

Accounting & Finance Intern

Join one of Singapore's most dynamic social enterprises and make a real contribution to an exciting growth industry. We are looking for a fun and energetic person to join our growing team! Our interns are offered a unique development opportunity and we provide regular learning sessions and individual development coaching to maximise what you get out of your time with us. Join the #ecoulife and contribute to the future of sustainability.

What you can look forward to:

- Contributing to our operations by providing solid accounting and financial support
- Performing timely and accurate management accounting functions such as accounts payable, accounts receivable, revenue and cash flow analysis
- Coordinating logistics and combining inventory control and knowledge gained about logistics to analyse supply chain efficiency
- Using theoretical accounting and finance knowledge in real world applications
- Being part of a dynamic and energetic team
- The opportunity to develop experience within a fast-growing, environmentally conscious company

What we are looking for:

- Currently studying (2nd year or above) or recently graduated from an accounting/finance related degree or diploma
- A highly motivated and outgoing self-starter, who can work independently as well as in a team
- Strong proficiency in business English and excellent communication skills, both written and verbal
- Unfazed by challenges and strong willingness to learn, develop and succeed
- Demonstrated knowledge of accounting concepts
- Knowledge of supply chain and/or logistics would be advantageous
- Strong customer focus and enjoys personal interaction
- Knowledge of accounting software would be advantageous
- Previous experience in a similar position and/or internship experience would be desirable

We would like this position to commence in Sep/Oct 2021. If you'd like to join our team please submit your CV with a brief covering letter to careers@ecou.com.sg
